***Reason for Allowance***

- Applicant's cancellation of claims 4, 7, 15-16 and 19-21 in amendment dated 2/17/04 is acknowledged.

1. Claims 1-3, 5-6, 8-14, 17-18 and 22-23 are allowed for the following reasons: the instant application is deemed to be directed to a nonobvious improvement over the invention patented in Pat. No 6,275,623. The improvement comprises as follows:

Claim 1 is allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the concave surface of the modulator array has a radius of curvature approximately equal to a focal length of the diffraction grating in combination with the rest of the limitations of the base claim. Claims 2-3, 5-6 and 8-13 depend to claim 1 and therefore they are also allowed.

Claim 14 is allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the modulator array comprises means for controlling a position of light reflection on the diffraction grating in combination with the rest of the limitations of the base claim. Claims 17 and 22-23 depend to claim 14 and therefore they are also allowed.

Claim 18 is allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the concave surface of the modulator array has a radius of curvature substantially equal to a focal length of the diffraction grating in combination with the rest of the limitations of the base claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
